Re: Maslow v. City of New York et al; 07 CV 10648 (VM)

Dear Judge Marrero:

I would like to request an adjournment in the above identified action for the pre-trial conference set for April 4, 2008 at 3:15 PM. I have just been notified the only time available to over 10 other participants for a settlement teleconference in another case is April 4, 2008 and that this conference and will likely last until at least 4PM. I am one of many essential participants in this conference.

I have tried to reach Stuart Jacobs, counsel for defendants, but was unable to do so today. He and I have been discussing settlement on this action and I have no reason to believe that he would not consent to an adjournment.

I hope that you will be able act quickly on this request and will reschedule the initial pre-trial conference as soon as possible. It would be greatly appreciated if someone could send me a fax or give me a call regarding this request.

Respectfully submitted,

Andrew D. Maslow
